April 8, 2023

Greetings!

It is my pleasure to welcome you to the 29<sup>th</sup> Annual Debutante Cotillion Ball. The Debutante Cotillion Program was developed for young ladies who are juniors and seniors in high school to encourage and prepare them to pursue higher education, academic excellence, personal development, and civic involvement.

The Cotillion Program's mission is achieved through the Debutantes' participation in a months-long curriculum consisting of educational workshops, bonding activities, community service projects and rehearsals for the formal presentation at the Debutante Cotillion Ball. Additionally, the Program provides opportunities for the debutantes to earn scholarships for higher education.

To the 2023 Debutantes, I wish you much success as you continue your journey of life. I hope that this experience has been enjoyable, rewarding, and memorable. It has been a pleasure watching you engage in the programs and activities while forming lasting friendships.

To all others, on behalf of the members of Alpha Kappa Alpha Sorority, Incorporated<sup>®</sup> Alpha Zeta Omega Chapter, I present to you our 2023 Debutantes. They are truly *Poised in Pearls*, and we are so very proud of them.

Sincerely,

*Kamala Uzzell*

Dear Debutantes, Parents, and Friends:

It is our pleasure to welcome you to the 29th Alpha Kappa Alpha Sorority, Incorporated®-Alpha Zeta Omega Chapter Debutante Cotillion Program. For over 29 years, our chapter has provided a cultural enrichment program for young ladies successfully transitioning to post-secondary education.

As the 2022-2023 Cotillion Program Co-Chairmen, it is our privilege to serve you, and we are truly thankful for your unwavering dedication and support to this outstanding program. The debutantes, their parents, and escorts have spent countless hours preparing for this occasion of our beautiful theme, "Poise in Pearls" and we pray each moment has been a wonderful experience. It is with sincere gratitude that we thank our lovely debutantes and their parents for their participation in our Debutante Cotillion Program over the past several months.

An affair of this size is impossible without the dedicated members of the Alpha Kappa Alpha Sorority, Incorporated®-Alpha Zeta Omega Chapter Debutante Cotillion Program. We would like to send a special recognition to the Cotillion Steering Committee, all subcommittee members, and especially our wonderful mentors.

Finally, we sincerely hope we have served well as we continue to provide service for all mankind.

## *Alpha Kappa Alpha Sorority, Incorporated* *Alpha Zeta Omega Chapter History*

---

In 1908, Alpha Kappa Alpha Sorority became America's first Greek-letter organization established by and for African-American women. Her roots date back to Howard University in Washington, D.C. where Ethel Hedgemen Lyle of St. Louis, Missouri conceived the idea for the organization. She viewed the Sorority as an instrument for enriching the social and intellectual aspects of college life by providing mental stimulation through interaction with friends and associates.

Alpha Kappa Alpha cultivates and encourages high scholastic and ethical standards; promotes unity and friendship among college women; alleviates problems concerning girls and women; maintains a progressive interest in college life; and serves all mankind through a nucleus of more than 355,000 initiated members in graduate and undergraduate chapters located in the United States and 11 other countries.

In 2008, Alpha Kappa Alpha Sorority, Inc. celebrated its Centennial with a myriad of events and activities during the national conference in Washington, D.C.

The Alpha Zeta Omega Chapter was the first Greek-letter sorority in the City of Durham as well as the third chapter of Alpha Kappa Alpha to be established in the State of North Carolina. The chapter was chartered on April 14, 1928 by eight members who wanted to establish a chapter in Durham, NC. Those members were: Marjorie Shepard, Frances Eagleson, Bernice W. Jones, Jean Holtzclaw, Byrd Jackson, Beatrice Qualls Burnette, Aida Fortune and Gladys Powell.

Alpha Zeta Omega has 95 years of history that is full of rich tradition and a testimony to its national goal of "Service to All Mankind". The chapter embraces Alpha Kappa Alpha's national mission: *Soaring to Greater Heights of Service and Sisterhood* led by our International President and CEO Danette Anthony Reed. Signature program initiatives include: Strengthen Our Sisterhood, Empower Our Families, Build Our Economic Wealth, Enhance Our Environment, Advocate for Social Justice, and Uplift Our Local Community.

In 1995, the members of Alpha Zeta Omega established the Ivy Community Center, Inc. (ICC) as a nonprofit tax exempt corporation. The purpose of the corporation is to promote the well-being and betterment of people in our community. The construction of the Ivy Community Center has allowed Alpha Zeta Omega Chapter and the ICC Corporation to expand outreach services and activities in the Durham community.

Additionally, the Chapter continues its recognition of academic excellence by awarding scholarships to outstanding college bound students. And, supporting charitable efforts; such as, Durham Crisis Response Center, Durham Rescue Mission, John Avery Boys and Girls Club, Meals on Wheels, Sickle Cell Foundation, the National Council of Negro Women, Women in Action, SeeSaw Studios, Inc., UNCF, and Merrick-Washington Magazine continue to be a focus of the chapter.

Over the years, the Chapter has worked tirelessly to implement the Sorority's targets/initiatives in the Durham community.

*Jada,*

*I thank God everyday for choosing me to be your mother. I'm so proud of the amazing young lady you've become. Jada you're beautiful, smart, talented, driven, kind-hearted, loving and all around an awesome person. I've watched you work hard for everything you have achieved and it has paid off. May God continue to bless you as you continue reaching for the stars.*

*I love you, Mom.*

**Throughout my younger years, my memory is that Aunt Minnie had interest in me and what I was doing particularly when it came to school. She heard that I had told my Mom when I was 5 years old that "I am going to school to get my education." Aunt Minnie a retired elementary school teacher loved what I had said about my education (and mentioned it often) and she knew that I was doing well in school. She called me her girl. Her interest in me although from a distance was very inspiring to me. Our family loved Aunt Minnie and we miss her presence, however she will always be there treasured forever in our hearts and memory.**
